As a husband and wife team, we strive to provide a private, comfortable, and relaxing experience for our clients. To accomplish this, we offer a private session in our studio, a private online viewing album with cropping and standard editing. We ask that our clients arrive hair and makeup ready with several different outfit options to work with. We want your photos to be unique, so we ask that you bring your own wardrobe; clothing that you're comfortable with, rather than wearing something off the studio rack that may or may not fit your taste and body type. \*Digital slideshow includes your favorite 25 photos set to music. Images are not individually downloadable. \*\*Keepsake Print Collection includes 4x6 prints of all your photos (Up to 75) in a linen presentation box. \*\*\*Photo book is a standard 8x10 hard cover up to 20 pages in a boutique gift box. Not to be combined with any other offer.

\$50 non-refundable deposit required, balance due at time of portrait session. Prices valid for individual sessions only. Sales tax will be added to all packages for Washington residents. No sales tax to Oregon residents. All major credit cards accepted.
